Estimated Length of Water Main to be Installed	Where the main is located on site (from plot.. To plot..)	When you would like the main to be installed (minimum 15 working days notice required)

DELIVERY OF MATERIALS MAY ARRIVE PRIOR TO THE VISIT. IN SUCH AN EVENT PLEASE ARRANGE FOR ALL MATERIALS TO BE OFF-LOADED AND STORED SAFELY AND SECURELY BEFORE OUR ARRIVAL.

ALL MATERIALS ARE ORDERED BASED UPON THE MAINS CALLED OFF BY SITE. ANY VARIATION MAY INCUR EXTRA CHARGES.

ANY OBSTACLES IN THE WAY OF THE WATER TRENCHING WILL REQUIRE REMOVAL BEFORE WORKS CAN COMMENCE.

INFRASTRUCTURE GATEWAY LTD. REQUIRES LINE AND LEVEL OR A KERB RACE TO LAY MAINS TO THE RECOMMENDED POSITIONING OF WATER APPARATUS GUIDELINES (NJUG). FAILURE TO ADHERE TO THIS COULD RESULT IN YOUR MAINS NOT BEING LAID ON TIME.

If you wish to postpone or cancel any of the above mains, please inform this office with a minimum of 5 working days' notice. We reserve the right to treat any cancellations after this as an aborted visit and apply charges in line with our signed and accepted proposal.

Please date and sign below as confirmation that you have received this and return to me by fax or e-mail, 5 working days before commencement of main laying. Failure to return this form could result in your mains being put back in the programme and not completed to your required timescale.
